RESTAURANTS CARE®

Resilience Fund Check List

APPLICATIONS ACCEPTED SEPT. 8 – 22

Eligibility:

- Los Angeles County independent restaurants, food trucks, and caterers
- 1–5 units
- < Under \$3 million in annual revenue (combined/total for all units)
- Currently open
- Must have been open and operating by January 1, 2022

Items to have ready:

- W-9 Form
- Government issued photo ID of the owner: such as a driver's license or passport
- A revenue statement for May – August 2022 and a revenue statement for May – August 2023—must show a minimum of a 10% decline.
- A picture that captures your restaurant business—your crew at work, your restaurant, owners, etc. The photo may be used for marketing purposes.
- Response to the questions: How have the Hollywood strikes affected your business? How will this grant make your business more resilient? What's one thing you'd like people to know about your business or story? (500 words maximum)

***This is a special application period for restaurants, food trucks, and caterers impacted by the the Hollywood strikes. The Restaurants Care Resilience Fund has two general application periods in October and April that serve a broader community of restaurants.**
